SGA Congress Minutes
Jan. 28, 1976

- I. The meeting was called to order at 4:36 pm by Tim Wilson.
- II. The roll was called, and a quorum was present.
- III. There was a motion to dispense with the reading of the minutes.
- IV. Officer Reports

President Tim Wilson recognized the new Congress members. There are some new resignations--Dennis Alters, John Johnson, Vernon Stanforth, and Chyrelena Turner.

Vice-president Jon Stanley stated all committees met last week and they should keep up the good work.

Treasurer was absent, so Tim Wilson read the balances in the SGA funds--Administrative Fund----\$2509.13
--Special Events Fund---- 1887.49
--Campus Improvement----- 5205.71
--Scholarship Fund----- 1046.79

Reporter Mary Meyer said she was working on the promotion for Clark Terry concert. Dorm presidents can stop by the office and get signs. Mary said she is working on posters for the basketball games to show SGA support. She is also working on changing the big bulletin boards outdoors.

Program Direction committee is trying to work new members into the present working pattern of the committee.

Campus Improvement Committee will discuss playground equipment next week. The shrubs to be planted by Radar Hall will be ordered in mid-February. A budget report would help, so they could budget money for projects.

Open House Committee met and talked about possible open house changed.

Student Consensus Committee met and discussed a new system of conducting surveys. This system would be by computer.

Special Events Committee--Liverpool will be here April 10th. The committee will submit a new list of groups to be considered for a major concert.

OLD BUSINESS

NEW BUSINESS

It was moved and seconded to accept the entertainment committee recommendation. Discussion followed about who some of the groups were, and why they are ranked the way they are. Question was called, and the motion passed.

There was a motion to accept the following recommendations:

NEC Delegate--Mark Sok

Junior Representative--Meredith Underwood

Entertainment Committee--Michael Chadwell

--Ted Griffith

The motion was seconded, and all three appointments were accepted.

All those people who filled out job applications last semester need to renew them for this semester.

Clark Terry will appear at 8pm in Button Auditorium on Friday, Jan. 30. A question was raised as to why outsiders could not go the coffeehouses. Dean James explained that once the 500 seats allotted to high school students participating in the clinic there would only be 800 seats left for college students. He also explained that the space problem was the same reason outsiders aren't allowed to attend the other mini-concerts.

Student Consensus Committee met right after this meeting.

The money was sent in for the NEC Delegates.

There was a motion to adjourn. It was seconded and passed.

Actions of SGA 2/4/76

Check on shrubs with Dean Crager.

Moved by John Lester to rescind bill on Entertainment order that was passed last week. Motion failed.

President Wilson's appointment of Michael Chadwell to be Sophomore Representative, approved 2/4/76.

President Wilson's appointment of John Robinson as Assistant Attorney General of Student Court, approved 2/4/76.

Meredith Underwood moved on behalf of the Entertainment Committee to try to reschedule, if not cancel, the Oliver and Jericho Harp Concert in the event that we might be able to obtain James Taylor on that April 21 date. Approved 2/4/76.

Moved by John Lester to remove rankings on the Entertainment Committee recommendations of 1/28/76. Approved.

Moved by John Lester to have Dean James report at the SGA meetings each week on the progress of negotiations for concerts. Friendly amendment by Ms. Everman to replace "Dean James" with "Entertainment Committee." John Lester withdrew the motion.

George Osei moved to suspend the rules to allow Mark Haines to speak. Approved. Mr. Haines spoke on the problem of smoking in Button Auditorium and in other places on campus. A lot of concern was voiced in favor of this issue by the students.

Liz Everman proposed that SGA support measures to let students know that smoking is not permitted in buildings on campus according to state law and that the Campus Improvement Committee work on this issue. Passed.

New open house hours set

The Murray State University Housing Office has established a new policy that will permit longer hours for dormitories during open house.

The new hours are 4 p.m. to 1 a.m., Friday; noon to 1 a.m., Saturday; and noon to 9 p.m., Sunday.

A survey, run by the Residence Hall Planning and Advisory Board, helped to initiate the change, said Tonya Young, assistant housing director.

Young added that there will be no more hour extensions this semester and she said, no visiting hours during the week will be enacted until open house violations decrease.

Re: Determining the constitutionality of the dormitory representation of Alumni Tower and the guidelines governing all dormitories.

During the week of January 7, 1976, I received notice of a vacancy in the dormitory council of Alumni Tower. Alben Wisecup, the then elected president of the Alumni Tower council, was forced to resign his position after changing his residency from Alumni to that of an off campus commuter.

In filling Mr. Wisecup's position, the standard procedure of the vice-president filling the vacated president's position was followed. In doing so however, it was found that by following the normal line of succession as stated in the Student Association Constitution, that the vice-president, secretary, and treasurer of the dormitory council were also serving as class representatives to the Student Government Association.

If one of these dormitory officers were to assume the position as president to Alumni Tower, it would place each of the individuals in a position of having a vote as the dormitory president and also as a Student Government class representative.

Subsequently, it was the decision of the dormitory council to appoint the vice-president, Chris Lester, to assume the post as president. The council then decided to elect a special representative to act in the capacity as the Alumni representative to the Student Government Association because of the fact that Mr. Lester currently holds a position as Freshman Representative. The council elected Mr. Doug Fitts as their representative to the Student Government.

This procedure by the Alumni Tower council raises many questions that I feel should be directed towards the Court. I would like to request that you deliberate upon the following questions:

1. Was the handling of the Alumni Tower matter by its dormitory council correct?
2. Can a student represent both a dormitory and a class constituency in the Student Government Association? If so, would the student be entitled to the two votes to represent both constituencies?

3. Do dormitory councils come under the jurisdiction of "The Constitution of the Morehead State University Student Association?"
4. If dormitory councils come under the jurisdiction of the above mentioned document, would dormitory presidents be subject to the same procedures as class representatives to the Student Government Association?
5. Is Doug Fitts the representative of Alumni Tower to the Student Government?

I would appreciate the help of the Court in interpreting these questions and would be happy to explain further at your convenience.

STUDENT COURT

DATE: February 3, 1976

CASE: Claude Newsome vs. SGA

RE: Ruling on Article IV, Section 3 of Student Association Constitution

Case was stated as follows:

"I would like a ruling on Article IV, Section 3 of the Constitution. I would like to know what the executive committee's powers actually consist of during the absence of the Student Association Congress. Does the Executive Committee have the power to make binding decisions before they are presented to Congress for final approval? I would like an explanation of the 'meet in emergency sessions, . . .'"

The court decided that Mr. Newsome was asking three questions. The first question asked if the executive committee had the right to make decisions when the congress wasn't able to meet, summers for example. The court decided by a 3-0 vote that Article IV, Section 3 covered this type of situation. Thus, yes, the Executive Council has the right to make decisions meeting in an emergency sessions, if no congress meeting can be arranged.

The second question the court decided was that an emergency session couldn't be called to make a decision instead of Congress. If Congress is able to meet, the decision must be handled by Congress. Added to this is the opinion that emergency action taken by the Executive Committee should be approved by the Congress at the earliest possible date. This matter was again decided by a 3-0 vote (Peggy Brown being absent).

On the third question asking for an explanation of the term "emergency session" (Article IV, Section 3), the court decided that the question was vague, in that the Court saw that any defining of the term wouldn't cover individual issues. Therefore, the court refused to answer this question by a 3-0 vote. On the grounds that they would rather rule on an individual case basis, than an over-all definition.

Thus the court recommends that if Mr. Newsome has a case in mind, that it be brought before this court for a hearing.

SGA Congress Minutes

Feb. 4, 1976

The meeting was called to order at 4:33 pm by President Tim Wilson. The roll was called and a quorum was present. The minutes were approved after one correction.

COMMITTEE REPORTS

Executive Committee

PRESIDENT Tim Wilson announced there were three bills on the agenda. He mentioned that Jon Stanley and Pam Cupp were absent, and Mary Meyers would be the parliamentarian.

TREASURER Don Whitehead reported that all the funds were inactive and the balances were:

Administrative Fund--\$2509.13
Special Events Fund-- 1887.49
Campus Improvement--- 5205.71
Scholarship Fund----- 1046.79

REPORTER Mary Meyers stated that the promotion for Larry Groce coffee-house was underway. Table cards are being planned for the grill and cafeteria. She said that both the TrailBlazer and WMKY will be promoting the Feb. 28 coffeehouse with George T. Young. Larry Groce.

PROGRAM DIRECTOR Liz Everman said they were working on the Community Service Commission. An idea is to purchase a TV for the Heritage House. They are working on new methods of finding jobs for the students.

Standing Committees

Campus Improvement--the fountain idea will be forgotten until next fall when more money and opinions are available. Next week they will have a bill for the playground equipment and the projectors. They plan to order the shrubbery soon. They need new ideas to work on.

Legislative Action--no meeting required

Open House--They met with Dean Crager and are working with his suggestions.

Special Events--they have a proposal today

Student Consensus--The computer center will be able to help with this semester's surveys. They need ideas--one suggestion was a survey on the book store policies is being looked into. John Lester has met with Dean Crager and is meeting with John Collis, manager of the Book Store.

OLD BUSINESS

John Lester made a motion to rescind last week's proposal of the list of concerts that are ranked. It was seconded and discussion followed. The question was called and the motion failed.

NEW BUSINESS

Tim Wilson had two appointments to make. For sophomore representative he mentioned Mike Chadwell. He was approved to take Dennis Alter's place. There was a motion made to approve John Robison as Asst. Attorney General of the student court. Motion passed.

The Entertainment Committee proposed that we reschedule or cancel if necessary the Oliver-Jericho Harp coffeehouse in the event that we could possibly schedule James Taylor for that date, April 21. Dean James stated unranking the groups was a possibility--so more groups could be contacted at once. The bill by the entertainment committee passed.

John Lester moved that we remove the ranking from the groups and contact them in order of availability. The motion was passed. Lester then proposed that Dean James gives a report each week on the progress. Tim suggested it be a recommendation. Liz made a friendly amendment that it was the Entertainment Committee's duty to inform us. John withdrew his motion.

George Osei moved that we open the floor so that Mark Hanes could speak. The motion to open the floor was seconded. Several questioned Hane's purpose. The motion passed. Discussion followed about the banning of cigarette smoking in Button. There was a motion to bring the house back to order. Liz Everman proposed that the SGA support measures to restrict smoking on campus and that Campus Improvement could go about implementing it. There was discussion and then a friendly amendment was made to state that it was made and the resolution accepted.

ANNOUNCEMENTS

Dean James gave us some information on the groups being considered for concerts:

- Gordon Lightfoot--only available on April 30
- America--tour begins in summer
- Loggins and Messina--open on April 16, 17
- Kansas--open on March 15, 16
- Sweet--touring New England area only
- Pointer Sisters--open March 15, 16
- Captain and Teneille--tour begins in May

Tim Wilson recommended that Congress members research and prepare bills better and that we follow Sturgis more closely.

Program Direction has meeting on Thursday at 3. Open House--4pm next Wednesday. The motion to adjourn was seconded and passed.

Respectfully submitted,

Ardith R. Justice

Feb. 11, 1976

- I. The meeting was called to order at 4:33 pm by President Tim Wilson. The roll was called, and a quorum was present. There was a motion to dispense with the reading of the minutes. It was seconded and passed.

II. Committee Reports

EXECUTIVE

President Tim Wilson stated the non-smoking bill needed research. There is no state law prohibiting smoking in university buildings. In general, the bills presented need to be better researched.

There are two proposals on the agenda today.

Concerning the problems over procedure, the meetings would run smoother if the parliamentary procedure were not so strict.

The Student Court ruled that court members can serve on SGA committees.

The Court also said that Chris Lester would have to choose between his position as dorm president or as ^{freshman} junior rep. because the situation as it now stands is unconstitutional. (Doug Fitts was elected by the dorm to represent Alumni in Congress, while Chris Lester is still dorm president.)

Vice-president Jon Stanley said the the committees except student consensus met last week. There may be a need for a co-chairman of the student consensus committee since Colleen Porter is student teaching.

Treasurer Don Whitehead read the balances and announced we received our money from registration.

Administrative Fund---\$ 6557.93

Special Events Fund--- 39,233.49

Campus Improvement---- 3795.16

Scholarship Fund----- 1046.79

Reporter Mary Meyers Announced the signs were out for the Larry Groce coffeehouse. Radio-spots and table tents (for both grills and the cafeteria) have been prepared also. The signs have been ordered for the George T. Young coffeehouse.

Program Director Liz Everman said they talked about getting the television for the Heritage House. She also stated she placed students in jobs at the Wells Lumber Company.

STANDING COMMITTEES

Campus Improvement Co-chairman Louise Venettozzi said there would be a proposal on playground equipment coming up next week which will cost about \$600. The projector is in and is working well. They talked about purchasing a new Eagle mascot costume--the one we have now is old and cannot be cleaned. It has already been repaired several times. They estimate the cost at \$1000.

Legislative Action committee met and discussed the procedures for the spring executive committee election and set tentative dates.

Open House committee worked on a plan to have open houses on certain days of the week, but the days the students say they prefer, and the statistics showing the participation in the various open houses conflict.

Special Events committee met and this week. Offers have been made to James Taylor for April 21 at \$16,500 and to Electric Light Orchestra and Journey for \$10,000 plus sound and lights. Larry Groce will be here for a coffeehouse Feb. 12 at 8 pm in the grill. George T. Young will play the piano at the Feb 20 coffeehouse--there will also be silent films and cartoons.

Student Consensus committee received a recommendation to do a survey on the book store. They talked to John Collis of the book store and many of the pertinent questions were answered here. There will most probably not be a survey on this question.

Vice-president Jon Stanley stated that all committees were working fine and that student consensus is going to present a new survey.

Secretary Pam Cupp is attending the NEC Convention in Washington.

Treasurer Don Whitehead read the balances. The administrative fund--\$4991.53; Special Events--\$38,763.35; Campus Improvement--inactive; Scholarship--inactive.

Reporter Mary Meyers announced the coffeehouse this Saturday night. The signs the artist sent were too few in number.

Program Director Liz Everman announced WMKY has spots for Job Placement. It was announced at a faculty meeting about jobs.

Standing

Campus Improvement committee announced the playground equipment would be ordered on Monday. After the OVC tournament, the Eagle costume will be sent to New York. Louise asked that dorm presidents try to attend the Campus Improvement Committee meetings so they could take care of some of the complaints.

Legislative Action committee announced tentative dates have been set up for the Executive Committee sign-ups and elections. They will be posted before spring break.

Special Events committee met last week to set up the grill for the coffeehouse. James Taylor has verbally committed for a concert on April 21. Electric Light Orchestra has declined the offers for concerts on March 26. No facilities are available on April 9th.

Student Consensus committee announced they have a new survey and will present it to Congress next week along with the estimate of the computer print out cost.

Open Houses committee announced they have put a question on the survey.

Old Business

Proposal by Tim Wilson to reconsider the tabled proposal about the Bicentennial Ball. The motion passed. The floor was opened and Keith Kappes, a member of the Bicentennial Committee, spoke. The tentative date for the event is March 26. After MUCH discussion the house was brought back to order and the previous proposal that we give \$250 to the committee to help sponsor the bicentennial event was passed.

New Business

Proposal #1 stated that we allot \$216 for the pep band's entrance fees so they can play at the OVC tournament game in the Wehterby gym. There was discussion, and the quorum was lost. Since no vote could be taken, Wilson asked the remaining members about their felt about taking student buses to Western. A special Executive Committee session was called to get votes on proposal #1. They will report to congress next week.

Announcements were made.

The meeting was adjourned.

Respectfully submitted;

Basic Tenets of Sturgis Rules of Order (1966)

PARLIAMENTARY LAW is the code of rules and ethics for working together in groups. The roles of parliamentary procedure are found both in common law and in statutory law.

The **COMMON LAW** of parliamentary procedure is the body or principles, rules, and usages that has developed from court decisions on parliamentary questions and is based on reason and long observance.

The **STATUTORY LAW** of procedure consists of statutes or laws relating to procedures that have been enacted by federal, state, or local legislative bodies.

STEPS IN PRESENTING A MOTION

1. A member arises and addresses the presiding officer.
2. The member is recognized by the presiding officer.
3. The member proposes his motion.
4. Another member seconds the motion.
5. The presiding officer states the motion to the assembly.
6. A motion must be stated in the form... "I move that....."

CLASSIFICATION OF MOTIONS

Main Motions--these are the most important and most frequently used. There are also specific main motions which are: reconsider, rescind, and resume consideration.

Subsidiary Motions--These are alternative aids for changing. The most frequently used ones are: postpone temporarily, vote immediately, limit debate, refer to a committee, amend, postpone definitely or indefinitely.

Privileged Motions--these have no direct link with the main motion before the assembly. They are to : adjour, recess, or the question of privilege.

Incidental Motions arise only incidentally out of the business before the assembly. Examples are to : appeal, suspend the rules, point of order, withdraw a motion, and division of a question of the division of the assembly.

THE ORDER OF PRECEDENCE OF MOTIONS IS:

Privileged Motions
Subsidiary Motions
Main Motions

When a particular motion is being considered, any motion of higher precedence may be proposed, but no motion of lower precedence may be proposed.

Motions are considered and voted on in reverse order to their proposal. The motion last proposed is considered and disposed of first.

CHANGING MAIN MOTIONS ALREADY VOTED ON

	May be Used	Applies To
Motion to reconsider	only at same meeting or convention	any main motion carried or lost
Motion to rescind	At any meeting or convention	any main motion carried
Amend by new main motion	At any meeting or convention	any main motion carried
Renew by new main motion	At any meeting or convention	any main motion lost
Repeal or amend by application	At any meeting or convention	Any main motion previously carried which conflicts with later main motion

MOTION TO RECONSIDER--1. Can interrupt proceedings
2. requires a second 3. Is debatable and opens the main motion to debate
4. Cannot be amended 5. Requires a majority. 6. Takes precedence.

MOTION TO RESCIND--This can be applied to any main motion previously passed. A motion to rescind takes a majority vote. It requires a second and is debatable. It also takes precedence.

QUESTION

Members are out of order who call Question to urge the presiding officer to put a pending motion to vote at once. The only situation where members may properly call question is in response to the presiding officer, "Are you ready for the question?"

The motion TO VOTE IMMEDIATELY ON THE QUESTION requires a second, is not debatable, cannot be amended and requires a 2/3 vote. It applies to debatable motions only and can have no motion applied to it except to withdraw.

When it appears to the presiding officer that all of the members who wish to speak have done so, he inquires, "Is there any further discussion?" and "Are you ready for the question?" The proper response to these queries is Questions if you are ready to end discussion. A member can assert his right to debate at any time before taking the final vote is completed and the result is announced.

ROLE OF PRESIDING OFFICER

He should warn obstructionists who are using dilatory tactics and if they persist, deny them recognition. He must keep the meeting moving ahead so that business is accomplished and members maintain their interest.

Student Government Association

March 3, 1976

The meeting was called to order at 4:30 pm. The roll was called and a quorum was present. There was a motion to dispense with the reading of the minutes.

COMMITTEE REPORTS

Executive Committee

President Tim Wilson said that we would not charter a bus to Western for students for lack of interest due to spring break and a 4 game losing streak. In emergency session, the Executive Committee allocated \$116 to send the band (pep) members to the game. The university paid for the bus, the driver, and the fuel, while SGA would pay for the tickets.

Jon Stanley said most of the committees had met, and reminded them to be sure and turn their committee reports in.

Pam Cupp passed out Sturgis Parliamentary Procedure guidelines to Congress.

Don Whitehead read the treasurer's balances---

Administrative Fund--\$4658.53

Campus Improvement--- 3445.63

Special Events Fund--38,763.35

Scholarship Fund ---- 46.79

Mary Meyers said she was working on the publicity for the John Bassette coffeehouse, and is planning out the promotion for the rest of the semester.

Standing Committees

Campus Improvement-- The shrubs and playground equipment has been ordered; looking into putting park benches up at the lake.

Legislative Action stated the election times would come up for a vote in new business.

Special Events --A report was given on the NEC National Convention and Pam Cupp said she would present a written report to congress after spring break. There is a possibility of getting Shawn Phillips (on the original list) for March 23rd. There is also a chance of getting Mellissa Manchester on March 16th, but Manchester was not on the original list, and will have to be voted on in new business.

OLD BUSINESS

none

NEW BUSINESS

The Legislative Action committee moved that we accept the tentative election dates specified on the handout. The motion was seconded

and passed.

The Student Consensus Committee moved that the SGA accept the survey on "Student Knowledge about SGA", which was prepared and will be taken by the Legislative Action Committee. It was seconded, and a copy of the survey was given to each of the congress members. The proposal passed.

The Legislative Action committee also moved that the SGA allot \$14 from the administrative fund to purchase 2000 computer answer sheets for use in the next survey. The motion was seconded and passed.

Pam Cupp moved that we try and procure Mellissa Manchester for a concert on March 16th. It was seconded, and discussion followed. There was a question raised about how many students would know about the concert since it followed two days after we returned from spring break. Also, some people felt this would be too much "easy listening" music with James Taylor and Shawn Phillips. The motion passed, however.

There was a motion to strike Shawn Phillips from the list of groups we would accept for concerts. The motion was defeated.

Jon Stanley moved that the Amazing Rhythm Aces and the Alex Harvey Band be contacted if Mellissa Manchester and Shawn Phillips don't come through. It was seconded and passed.

DISCUSSION

George Osei noted that some students that were planning to stay on campus during spring break received memorandums this week stating there would be a \$2 daily fee for students staying on campus during break. Dean Crager said it was initiated at the beginning of the semester, and was due to the cost factor. Pam Cupp moved that we recommend to university housing that we urge this \$2 daily fee be dropped because of the late notification. The recommendation was seconded and passed.

The meeting was adjourned.

3/4/76

Whereas, in the past all survey results have been compiled by hand.
Whereas, it is possible to compile survey results through the use of the University computers.
Whereas, this method would be much more efficient.
Be It Proposed, that the SGA allow the Student Consensus Committee to use the University computers, ^{with University Approval} in conducting all future surveys, and that SGA allot \$14.00 from the administrative fund to purchase 2000 computer answer sheets for use in the next survey.

-OPEN HOUSE-

17. Would you be in favor of reducing each open house from the present 4 hours (7:00pm - 11:00pm) to 3 hours (7:00pm - 10:00pm) in order that we can recommend 6 additional open houses per semester and not have to increase the total number of hours for open houses during a semester. This would give us 26 open houses per semester instead of 20, with each open house being for 3 hours in length. This would not result in an increased cost to the University other than for any increase in the student workshop hourly rate.

GEM

I want to take this opportunity to express my appreciation to you and the Student Government Association for all your efforts in regard to providing the pep band tickets for the first round playoff game on our campus and your support during the OVC tournament. I am sure Coach Schalow, his staff and the basketball players share my feelings in wanting to convey thanks to you for your excellent cooperation.

The pep band did a fine job and it was very thoughtful of the SGA to assist our program in this manner. It was most unfortunate that the student ticket price set by the OVC was so high that many students could not afford to attend. However, the pep band provided needed support and we do appreciate the assistance from the SGA.

STUDENT GOVERNMENT ASSOCIATION
PRIMARY ELECTION
Tuesday, April 6, 1976

To be read by all election workers before they begin to work

1. Only students with valid I.D.'s will be allowed to vote. A student cannot vote without his I.D. No exceptions!!!! Call Dean Walke or Dean James if there is a problem.
2. Punch the No. 1 area on the student's I.D. Use only the punches provided by SGA. They make only a small hole in the I.D.
3. As you punch the I.D., compare the photograph on the I.D. with the person who presented it to you. If you do not believe the person who presented the I.D. to you is the same one in the photo on the I.D., do not allow him to vote. Call Dean Walke or Dean James if there is a problem.
4. As you punch the I.D., have the student sign his name on the legal pad provided at the polling area.
5. If there is any problem with a voting machine, call Dean Walke or Dean James.
6. Lift entrance knob to activate machine. After the student has voted, all he must do to open the curtains is to pull the lever at the very top of the machine. As the lever is pulled, the mechanism of the machine will clear the small levers the voter has pulled to cast his vote(s). No one will know how he voted.
7. The voter can only vote for one candidate for each position. That is, he can vote for one person for president, one person for vice president, and one person for treasurer, etc. A voter may cast only one vote for one office if he wishes.
8. Do not at anytime leave the polls unmanned.
9. If you have any questions or problems at any time, call Dean Walke or Dean James. Numbers are 3213, 3214, 3215, and 3218.

GOOD LUCK

Mr. Ron Harrell
Attorney General
Student Court
Morehead State University
Morehead, Kentucky 40351

Dear Sir:

I hereby wish to protest the results of the primary election for the Student Government Association Executive Committee offices. My complaint stems from the fact that I, and other persons in my personal knowledge, were not allowed to vote in said election. I feel that my right to a free election documented in Article III, Section 2, Part E of the Morehead State University Student Association Constitution has been violated.

The causes for my restriction from voting were, I feel, unjustified. I was not permitted to vote because my student identification card had been, by no fault of my own, prematurely punched in an inappropriate spot in an earlier election. I do not feel I or any other person not allowed to vote for this same reason should be penalized for someone else's mistake. I further believe I and my fellow students who have been denied the right to vote are justified in seeking a re-election.

Sincerely,

Jeffery Ray Fossitt

The meeting was called to order by President Tim Wilson at 5 40 pm. There was a motion to dispense with the reading of the minutes. It was seconded and passed. The roll was called and a quorum was present.

COMMITTEE REPORTS

Executive Committee

Tim Wilson said he, Rosemary Farley, and Alben Wisecup met with Dean Playforth, chairman of the Athletic Committee, and Sonny Moran, Athletic Director, to talk about the discontinuation of the intercollegiate wrestling, swimming, and soccer programs. Dean Playforth and Sonny Moran explained the three basic reasons for the change:

1. National trends have been seen in cutting back of sports
2. These sports are not among the seven required to be an OVC member
3. Women's athletics^{will} have equality in number of teams and in number of scholarships.

These sports will now be clubs. The budgets approved for Soccer, Wrestling, and swimming this year will be the same next year. Dean Playforth said he appreciated Student Government's attempt to clear up these questions.

Mr. Ewers said there was great success in the extension of the hour in the grill.

Board of Regents sign-ups will be Thursday April 15 from 9am-3pm. Meeting with candidates will be Thursday April 15 at 4pm in the Red Room. Campaigning will begin Monday April 19th at 12 01 am. The election will be Thursday April 22. Whoever signs up to run for this office as to run for any other SGA office.

Vice President Jon Stanley gave the rundown on the committee meetings. Most all of the committees met this week.

Dear Tim:

Please be advised that the MSU Bicentennial Committee wishes to return the \$250 which the SGA Congress voted to be used to support Bicentennial activities this year.

Our projects were modest in nature and we were not able to come up with something which would involve a great number of students.

Please relay our thanks to the Congress for its consideration in this matter.

Cordially,

Keith Kappes
